To Whom it May Concern

Re: ~~Scott Johns, Total Carpet Cleaning, 15 St Andrews Road, Weeley CO16 9HP~~

I write this letter in recommendation of the above contractor.

We have known Scott for some time and have used his services on numerous occasions. He is reliable and efficient and our tenants and landlord clients speak highly of him.

His knowledge and expertise are of a very high standard, making it possible for him to remove the most unsightly and difficult of marks and stains from a carpet.

I would thoroughly recommend Total Carpet Cleaning for any carpet cleaning needs.

Yours faithfully.
